

## Specialization Services:

# SALESFORCE COMMERCE CLOUD

Gain key insights into the performance metrics around your current SFCC implementation

Address gaps in your commerce platform with the benefits of SFCC

Plan a strategic migration from your current solution to SFCC

Our expertise allows us to offer specialized services to meet your Commerce needs. As specialized offerings, the nature of each engagement is custom and scoped accordingly.

- **Salesforce Commerce Performance Audit**  
A review and analysis of customer's current state specific to Commerce Cloud
- **Salesforce Commerce Support Services**  
Sized right for your needs; provides you with the technical support and infrastructure to ensure your Salesforce environment is running at peak efficiency; includes a holiday readiness assessment
- **Salesforce Commerce Migration Workshop**  
Reviews current commerce solution and catalog and determines best approach to migrate to Salesforce Commerce Cloud
- **Salesforce Commerce Platform Assessment**  
Reviews your business objectives, identifies capability gaps, compares digital experience against industry heuristics and identifies the benefits of Salesforce Commerce Cloud for your business needs and solution requirements
